Welcome To The Kismet Inn

How it all began

Kismet, meaning fate or destiny, originated around 1925 when the Weiss family purchased a tract of land running from the bay to the ocean and put in Oak and Pine Walk. Then they dug out the marina and called the whole area Kismet Park.

The original Kismet Inn, was located where the existing Kismet Market stands, but it was destroyed by the hurricane of 1938. The present location of the Inn was originally a general store and workshop. The Weiss family used it to service their small ferry, aptly called "Kismet."

During the 1940's, Fire Island was quiet due to the war. Afterwards, the island gained popularity and Kismet began to grow. In 1953, Dick Greenamyre bought the Kismet Park Corporation including the waterworks, sidewalks, inn, marina, and some remaining lots that hadn't been sold by the Weiss family. Kismet continued to expand and by 1955, Lighthouse Shores on the west side and Seabay Beach on the east side where established. Over the years, they merged into the community that we call Kismet.

The Kismet Inn was the hub of activity and the main gathering place for homeowners and boaters alike from then on.

Larry Cole arrived in Kismet to work at the Inn in 1958 when he was just 17 years old. Today he is the proud owner, and with the help of his dedicated family and friendly staff, operates the oldest establishment on Fire Island.

Thank you for sharing this unique place with us. We know you will enjoy it and respect it like we do.
